

**Summer International Courses
Faculty of Economics and Business
University of Brawijaya
2012**

Summer International Courses of Faculty of Economics and Business University of Brawijaya (FEB UB) are courses designed for international students either coming from university partner or private interest, who are interested in getting international academic experiences at FEB UB. The courses are taught in English and conducted in the International classes.

The word summer is an international perspective, which is flexible by meant of where is the international student coming from. For instance, for those international students coming from Australia, we are offering the courses on December to January. For Korean and Japanese students, we are offering the courses on July and August. The courses are designed for 5-7 weeks duration and received a course transcript at the end of the program.

The admission is open for students who have completed high school or are currently enrolled in an undergraduate program at university level.
